*Under the aegis of Rahmani Foundation*

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

## Message from the Secretary – SMC

The Rahmani School of Excellence was established with a noble vision – to nurture a generation that excels in both religious and worldly knowledge. This institution functions under the insightful guidance of **Hazrat Maulana Ahmad Wali Faisal Rahmani Sahab (Damat Barakatuhum)**, whose unwavering belief is that true progress of society and the Ummah can only be achieved through meaningful and value-based education.

Hazrat Maulana Ahmad Wali Faisal Rahmani Sahab vision goes beyond literacy. He aspires to create an environment where education is coupled with moral development, where knowledge is blended with character, and where success is rooted in sincerity and purpose.

Our school is committed to advancing this vision by providing a harmonious blend of modern education and Islamic principles. Here, each child is not just a student, but a trust – one whom we aim to nurture with both academic excellence and spiritual grounding.

**We are deeply grateful for the constant guidance and prayers of Hazrat Sahab, under whose leadership this journey towards truth and excellence continues. InshaAllah, our efforts will lay the foundation for a brighter future and a stronger Ummah.**
